

LOGISTICS

**INTEGRATED MINING, INDUSTRIAL &
CROSS-BORDER LOGISTICS SOLUTIONS**

**DELIVERING RELIABLE SUPPLY CHAIN PERFORMANCE
ACROSS SOUTHERN AFRICA**

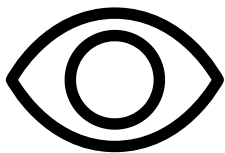

Johannesburg | South Africa | SADC Region

ABOUT **NEO360** LOGISTICS

NEO360 Logistics (Pty) Ltd is a South African logistics and supply chain solutions provider specializing in mining logistics, cross-border transport, corridor freight management, port logistics, fleet coordination and industrial supply chain support across Southern Africa.

Our integrated solutions are designed to support operational continuity, reduce downtime, improve supply chain visibility and deliver measurable value to our clients.

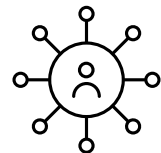

VISION

To become Africa's preferred logistics and supply chain solutions partner, recognized for operational excellence, reliability, innovation and industry-leading service delivery.

MISSION

To provide safe, efficient, compliant and cost-effective logistics solutions that enable our clients to achieve operational excellence while maintaining uninterrupted supply chain performance.

VALUES

- **Safety First**
- **Integrity**
- **Reliability**
- **Excellence**
